**APPLICATION FOR LICENSURE BY ENDORSEMENT**

Dear Endorsement Applicant:

Following this page, please find the application for licensure in physical therapy in our Great State of Nevada! Please note that Physical Therapists and Physical Therapist's Assistants must have a Nevada license to practice physical therapy in Nevada.

**Please be sure to read the instructions carefully and print all pages to avoid a delay in your application process.**

Any items received in the Board office towards the licensure process (transcripts, etc). will only be held for 6 months from the date of receipt, unless an application is received. Applications not completed within one year of receipt automatically expire.

Please note that the Board office will only work directly with the applicant during the application process. We will not discuss your application or status of licensure with prospective employers or recruiters without a signed release from you. This is to protect your privacy and to avoid confusion.

It is suggested that you mail your application by a means in which to track delivery to the Board office. **After mailing your application, please allow at least two weeks before contacting the Board for status.** Please make all inquiries for application status via email at [ptapplication@govmail.state.nv.us](mailto:ptapplication@govmail.state.nv.us). Include your name and last four digits of your social security number for identification. You may also follow-up via phone.

The process takes **approximately** 3-4 weeks for endorsement candidates using the electronic submission fingerprinting option, and **approximately** 6-8 weeks using the hard card fingerprinting option. These are only estimates based on the fingerprinting timeframe and not a guarantee of a licensure date. All items must be received in order to consider your request for licensure.

Please update the Board with any changes to your residential address or phone numbers. Also, when you secure employment in Nevada, please provide the name of the Nevada facility, complete address, phone and fax numbers. You may submit updates via fax, mail, or to the licensing coordinator email provided above.

If you have any questions, please contact us. We will be pleased to assist you in any way we can.

Sincerely,  
The Nevada State Board of Physical Therapy Examiners
